**LAKSHMI MACHINE WORKS LIMITED**

Annual Report 2011-12

# Lakshmi Machine Works Limited

## MEMORANDUM OF ASSOCIATION

I. The name of the Company is "LAKSHMI MACHINE WORKS LIMITED".

II. The registered office of the Company will be situated in the State of Madras.

III. The several persons whose names, addresses and descriptions are subscribed, are desirous of being named in a Company, in pursuance of this Memorandum of Association, and are respectively agreed to take the number of shares in the capital of the Company set opposite their respective names.

No.	Name and address of Subscriber	Description and occupation	No. of Equity Shares taken	Signature
1	G. Srinivasulu and group, 4/24, Avenue 2, Sankarapuram, Coimbatore.	Genl. Merchants and group, Merchant.	100	(Sd) G. Srinivasulu and group

Five decades. One vision.

At Lakshmi Machine Works Limited, we have been driven by the prospect of emerging as a world-class, globally respected textile spinning machinery manufacturing company.

Through process and product innovation, relentless customer service, novel business solutions, uncompromising quality standards and shareholder wealth creation, this is what we have to show for it today. A position among the three leading textile machinery manufacturing companies in the world.

Faint, illegible text visible through the paper from the reverse side.

Cavalier Dr. G.K. Devarayulu (1911-1992)

Vision is the art of seeing what is invisible to others.

Dr. D. Jayavarthanavelu (1940-2010)

Visionary leadership is the capacity to transform vision into reality

At the time LMW entered the business, it was one among the crowd. Today, it is the only surviving Indian company.

Chairman along with the Managing Director honoured the retired employees of LMW on the occasion.

## MD'S MESSAGE ON THE OCCASION OF GOLDEN JUBILEE YEAR

Dear friends,

We are commemorating the Golden Jubilee of LMW this year, my greetings to all of you on this joyous occasion.

We have with us a heritage of fifty years. Thanks to the far-fetched vision of our Founder Chairman, flawless execution of strategy by our past Chairman and Managing Director, efforts of our Employees and the trust of our Customers.

As we commemorate this occasion let us remember that today LMW is no longer a commercial organisation only, it has over the years become a societal foundation that dynamically interacts, fosters, supports and benefits many stakeholders in and around. Given this fact, we are left with a huge responsibility of not only nurturing this great institution but also with the task of doing our utmost to hand it over intact to our future generation.

They say "Future belongs to the believers" and most of us do hope to have a bright future. However, we are barely conscious of the fact that as we start to believe in a good future we have already started to travel towards it. Future accomplishments then largely depend on our actions in the present and always remember success is never a destination but only a milestone reached before the next journey commences.

I sincerely hope that our efforts will definitely build us a secure and glorious future both for ourselves and for our future generations.

Thank You.

**Sanjay Jayavarthanelu**  
Managing Director

## Cautionary Statement

In this Annual Report we have disclosed forward-looking information to enable investors to know our product portfolio, business logic & direction and comprehend our prospects. This report and other statements – written and oral – that we periodically make are based on our assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'believe', 'estimate', 'expect', 'intend', 'plan', 'project' and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward looking statements will be realised, although we believe that we have been prudent in our assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. If known or unknown risks or uncertainties materialise, or if underlying assumptions prove inaccurate, actual results can vary materially from those anticipated, estimated or projected. Readers may bear this in mind. We undertake no obligation to publicly update any forward looking statements, whether as a result of new information, future events or otherwise.

# Management discussion and analysis report

## I ECONOMY OVERVIEW

The Indian Economy was estimated to sustain its growth rate like last year; however the global financial crisis along with a recession has curtailed its performance. India's GDP is now estimated to have grown at the rate of 6.5% in 2011-12 as against the growth rate of 8.4% achieved last year. Though the economy was able to limit the adverse impact of the global slowdown, its performance is disappointing. The optimism that was prevalent at the start of the year has now turned to pessimism.

Business confidence level within the Indian

economy has plunged primarily due to the continuing uncertainty in global demand outlook and also due to a weak domestic market whose consumption appetite has reduced due to a combination of high inflation and rising fuel costs. During the year 2011-12, the tight monetary policy as adopted by the RBI for taming inflation has impacted demand growth and the overall investment climate within the country. But it is also a fact that in a performance comparison, the Indian economy still remains high amongst the forerunners.

GDP growth rates can improve only if the

economic environment within the country is made more conducive for investment. Further development of rural infrastructure and energy generation facilities is absolutely essential.

For the ensuing financial year 2012-13, a moderate GDP growth rate of 6.00%~6.50% is expected. Easing inflation has now enabled RBI to reduce the interest rates, which along with easing inflation and a prediction for a near normal monsoon is expected to boost domestic demand and consumption in rural India. Depreciation of the Indian Rupee vis-à-vis the US Dollar is

expected to encourage exports and as well attract more foreign direct investments, however it will also make the imports costlier.

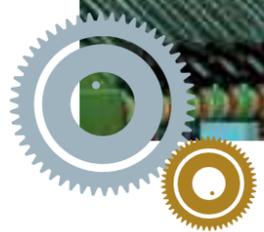

## II SEGMENT REVIEW

The Company has three major segmental divisions namely, the Textile Machinery Division (TMD), the Machine Tool Division (MTD), the Foundry Division (Foundry). Besides these divisions, your Company has a Wind Energy Division and an Advanced Technology Centre. All the divisions are located in and around Coimbatore, Tamil Nadu, India.

# 6.5%

India's GDP is now estimated to have grown at the rate of 6.5% in 2011-12

# 01 Textile Machinery Division

## Industry Overview

Indian Textile Industry is a major contributor towards the country's economic growth and foreign trade. Infact the importance of Textiles within the Indian Economy stands next only to Agriculture. Also, the Indian Textile Industry occupies a unique position of being a totally self-reliant industry across the value chain, right from raw-materials to the finished goods. It is notable that significant value addition happens at every stage.

Indian Textile Industry is comprised of 1,834 big spinning mills, 1,249 small scale spinning mills 184 exclusive weaving mills, 5 lakh power loom units and about one lakh handloom units. Abolition of trade restrictions and the easing of Multi-Fibre Agreement (MFA) since January 2005 has

enabled the Indian manufacturers to export without any quantitative restrictions across the globe. This has enabled sizeable growth in Indian Textile Industry across the value chain. India has about 24% of the world's installed spindleage and is one of the biggest exporters of yarn.

According to the National Fibre Policy Report, India requires substantial capital expenditure during the period 2011-20 to keep up with the expected demand. In this scenario, any extension of the TUF Scheme during the XII Plan Period (2012-17) will immensely benefit the Indian Textile Industry.

## Prospects

Expected extension of the TUF Scheme assistance during the XII Plan Period will

serve as a catalyst for further growth in the Indian Textile Industry.

- Efforts of the Government to facilitate 100% foreign direct investment in textiles/retail sector.
- Establishment of apparel park/special textile parks/textile clusters.
- The proposed modernisation of NTC mills alongwith the fact that overall a major portion of the 40 million working spindles in the country need replacement/modernisation.
- The products of your Company are continuously upgraded in technology and are also cost effective. This makes your Company a preferred partner of choice for the Textile Spinning Mills.

- Experience gained over five decades; world class manufacturing facilities and a committed work force with specialized skill sets are the strength of your Company which enables your Company to grab any challenging opportunity.

## Challenges

- Reduced operating margins due to increasing commodity prices, power and labour cost.
- Delay in disbursement of TUF benefits and high cost of funds for textile mills.
- Unstable government policy on cotton and yarn exports and withdrawal of export incentives.

- Increased competition from multinational companies.

## Outlook

Motivated by the depreciating rupee, exporters plan further expansion of capacity. Effective monetary measures taken by the RBI alongwith the prediction of a near normal monsoon is expected stimulate domestic consumption. On the other hand, the global economic slowdown seems to have little or no impact on the capex plans of well established integrated textile mills, as they are aware that investment in contemporary technology is necessary to meet their customers' cost and quality requirements.

## TMD segment performance

Type of machinery	No. of machinery	Value (₹ in Lakhs)
Spinning preparatory machines	2,567	64,209.95
Yarn making machine	1,638	90,527.79
Accessories and spares	-	20,591.77

# 24%

India has about 24% of the world's installed spindleage and is one of the biggest exporters of yarn.

## 02 Machine Tool Division

### Industry Overview

The Indian Machine Tool Industry consists of about 450 units of which about 150 units are in the organized sector. More than 70% of the Machine Tools manufactured in India are made by about 10 major companies. The Indian Machine Tool sector is capable of manufacturing both the conventional and advanced CNC Machine Tools. Despite the growth of Machine Tool Industry in India, about 70% of the domestic demand for high end machine tools is being met by imports. This sector is poised to grow further in view of the increased demand from defence, aerospace, metro rail and heavy engineering industries in India.

### Prospects

- India has emerged as a global auto manufacturing hub.

- Growth in defence, aerospace, heavy engineering and metro railway industry.
- Continuous research and development activity has enabled your Company to bring in new variants that meet with market requirements.

### Challenges

- Stiff competition from global players in Indian Market.
- Technology gap as compared with industry needs.
- Low economies of scale.
- Lack of skilled technicians.
- Cheap imports and competition from unorganized players.

### MTD segment performance

This division has sold 1,261 machines during the year for a value of ₹22,540.30 Lakhs and has added 488 new customers to its fold.

### Outlook

Emerging engineering industries like aerospace, railway engineering has created enormous opportunities for this sector. India is a global leader for low cost manufacture of engineering goods. In this regard, expertise gained by your Company over two decades in the industry enables inhouse research efforts which are adequately complemented with technology tie-ups for developing high precision machinery.

This division has launched the Moving Column VMC (JVM60) during the year under review. In the ensuing year the multi-tasking machine (JM300X) and 1000 mm length Turning Centre (LL25TL10) will be introduced in the market.

## 03 Foundry Division

### Industry Overview

In India more than 5,000 foundries are engaged in the manufacture of grey iron, ductile iron, SG iron, malleable steel, non ferrous and steel castings. The total installed capacity of the Foundries in India is 9.05 million tons per annum and the country meets about 10% of the global demand. It is expected that for the next five decades the Indian Foundry industry will maintain the growth momentum.

### Prospects

- Well established brand image having the capacity to manufacture high quality heavy castings.
- Growth of demand for heavy castings from metro rail projects, wind energy generators, marine engineering and power sector.
- Adoption of best practices in manufacturing/ability to manufacture at low cost.

- State of the art manufacturing facility and commitment to quality.

### Challenges

- Non availability of quality raw materials
- Continuous increase in input cost
- High cost of transport and warehousing
- Shortage of skilled man power
- Infrastructure bottleneck including power shortage

### Foundry Segment performance

This division comprises of three foundry units of which two units cater to the captive requirements. The one unit which meets external demand has sold 6,957 MT of ductile iron and grey iron castings valued at ₹9,170.07 Lakhs during the year under review. Out of the total castings sold by this unit about 57% accounting for ₹5,247.70 Lakhs has been exported.

### Outlook

Uninterrupted demand for high precision heavy castings, availability of world class manufacturing facilities with state of the art technology, focused approach on the customers in the domestic and export market and forging of long term supply arrangements with MNC giants would enable this division to perform well during the financial year 2012-13.

# 57%

Of the total castings sold by this unit, about 57% accounting for ₹5,247.70 Lakhs has been exported.

# 3,274

The Company had 3,274 employees as on 31st March, 2012. The Balanced Scorecard System is in place and it measures each employee performance.

### III RISK MANAGEMENT

Risk management is the formal process whereby risk associated with the enterprise as a whole is managed. The Company follows a comprehensive and integrated risk appraisal, mitigation and management process. A separate group called as the Office of Strategy and Risk Management (OSRM) has been formed to identify, evaluate and mitigate risk of the company. The risk and risk mitigation measures of the Company are being placed before the Board periodically to review and for improvement:

### IV INTERNAL CONTROL SYSTEM AND ADEQUACY

The company has extensive internal control systems intended to mitigate operational deviation. The internal audit team periodically evaluates the adequacy and effectiveness of the internal control systems and recommends action to address the gaps, if any and to enforce adherence to policies.

Annual corporate business plan with division-wise breakup is laid out every year. In line with this plan capital and revenue expenditure budgets are determined and the actual expenditure is monitored and

controlled. Investment decisions are subject to detailed evaluation and approval. Review of capital expenditure is undertaken with reference to the utilisation of the capital assets for the intended purpose. Physical verification of assets is undertaken periodically.

The Audit Committee of Board of Directors reviews the reports of the Internal Auditors & Statutory Auditors and verifies all financial statements on a quarterly basis to ensure compliance.

### V HUMAN RESOURCE

Your Company enjoys the support of committed and well satisfied human capital. Your Company adopts the best practices in Compensation, Recruitment, Training, Motivation and Performance Appraisal. This enables your Company to attract /retain the best in talent and to keep the attrition rate well below the industry average. The Balanced Scorecard System is in place and it measures the performance of every employee. The Company had 3,274 employees as on 31st March, 2012

### VI Financial performance

No deduction of tax at source will be made from dividend.
8. Pursuant to Section 205C of the Companies Act, 1956, unclaimed dividends are to be transferred to the "Investor Education and Protection Fund" of the Central Government after a period of 7 years from the date of declaration. Shareholders who have not en-

cashed/misplaced/not received the dividend warrant for the years 2004-05, 2005-06(interim & final), 2006-07(1st & 2nd interim), 2007-08 (interim & final), 2008-09, 2009-10 and 2010-11 are requested to write to M/s SKDC Consultants Limited, Kanapathy Towers, 3rd Floor, 1391/A-1, Sathy Road, Ganapathy, Coimbatore - 641 006 for claiming the dividend. Due date for the transfer of the unclaimed dividend of the year 2004-05 to the said fund is 24th August, 2012 and shareholders cannot make a claim after that date.

9. Annual accounts and related details of the subsidiary companies viz. LMW Textile Machinery (Suzhou) Co., Ltd. China and LMW

Machinery Limited are kept for inspection at the Registered Office of the Company and at the subsidiary companies. Copy of the same will be provided to the members whenever requested.

10. Any member who need any clarification on accounts or operations of the Company shall write to the Company Secretary, so as to reach him at least 7 days before the meeting, so that the information required can be made available at the meeting.
11. Members are requested to bring their copy of the Annual Report with them to the Annual General Meeting.

## BRIEF PROFILE OF DIRECTORS SEEKING REAPPOINTMENT (Pursuant to Clause-49 of the Listing Agreement)

### 1. Sri. M.V. Subbiah, Director

**Profile :**

Sri.M.V.Subbiah is a diploma holder in Industrial Administration and has studied at the University of Aston and has attended programme for Management Development at Harvard Business School. He was the former Chairman of EID Parry (India) Limited of the Murugappa Group. He was the recipient of JRD Tata Business Leadership Award in 2002, the National HRD Award in 1998 and Padma Bhushan Award from President of India in 2012. He is in the Board of the Company since March, 1979.

**Experience :**

He has 4 decades of experience in the field of Industrial Administration, Human Resource Development and Financial Management.

**Other Directorships :**

1. ICI India Limited
2. National Silk Development Corporation
3. Chennai Willington Corporate Foundation
4. Chennai Heritage

**Membership in Committees :**

Name of the company	Name of the committee	Member/Chairman
ICI India Limited	Remuneration & Nomination Committee	Chairman
-do-	Audit Committee	Member
Lakshmi Machine Works Limited	Remuneration Committee	Chairman
-do-	Shareholders & Investors Grievance Committee	Chairman

Shareholding : Nil

**Directors inter-se relationship :**

None of the Directors of the Company is related to Sri. M.V. Subbiah.

### 2. Sri. Basavaraju, Nominee Director of LIC

**Profile :**

Sri Basavaraju is the Nominee Director of LIC. He is a post graduate in English Literature from Bangalore University. He joined LIC in the year 1977, held various responsible positions in LIC. At present he is the Chair Professor (Life Insurance), National Insurance Academy, Pune. He was ex-officio president of Bangalore Insurance Institute from 1998 to 2001 and was involved with IIM, Bangalore's seminars on opening of Insurance Industry. <b>TOTAL</b>	<b>88,645.43</b>	<b>82,576.46</b>

### Golden jubilee year

Your Company was incorporated on 14th September, 1962 and received the Certificate of Incorporation from the Registrar of Companies, Madras on that date. Your Company is commemorating the Golden Jubilee Year from 14th September, 2011.

### Dividend

Your Directors have recommended payment of a normal dividend of ₹25 per share (250 %) for the financial year 2011-12 and a Golden Jubilee year dividend of ₹25 per share (250%) in the aggregate ₹50 (500%) per equity share of ₹10 each on the equity share capital of ₹11,26,65,040 amounting to ₹56,33,25,200 and to pay a Dividend Tax of ₹9,13,85,431.

The dividend, if approved by the shareholders, will be paid to those members or their mandates whose name appear on the Register of Members on 6th August, 2012 for those holding shares on physical form and as per the details furnished by the depositories, for this purpose, as at the end of business hours on 31st July, 2012 for those holding shares on dematerialized form.

### Operations

During the year under review, your Company has achieved a turnover of ₹2,07,249.19 Lakhs (2010 -11: ₹1,77,331.17 Lakhs) resulting in a Net Profit of ₹22,339.40 Lakhs before tax (2010-11: ₹23,784.22 Lakhs). During the year under review the turnover has increased by 16.87% over the previous year however the profit has decreased by 6.07%. In spite of

rise in turnover, the increase in commodity prices, power and fuel expenses and depreciation of the Indian Rupee against US Dollar has impacted profitability.

### Textile machinery division

The Textile Machinery Division of your Company, during the year under review, has recorded a turnover of ₹1,75,329.51 Lakhs as against ₹1,51,813.21 Lakhs achieved during the last year, recording an increase of 15.49% over the previous year.

The buoyancy in demand for Textile Machinery experienced during 2010-11 has slowed down in 2011-12. During the year under review the Indian Textile Industry was affected by external factors like the Euro Zone Crisis and concerns relating to low growth in demand from the US market. Demand generation in the domestic market too was affected by the uncertain economic environment. The high rate of inflation has eroded the disposable income and has hampered demand growth in the domestic market.

The Indian Textile Industry was also affected by volatile cotton prices; high cost of inventory carried forward, high interest rates, withdrawal of export incentives and levy of additional excise duty on readymade garments. The financial gains realised during 2010-11 were negated by the first quarter of 2011-12. Imposition of restriction on the cotton yarn export and the high cost of working capital forced many mills to dump yarn, made out of expensive cotton, in the domestic market at very low prices resulting in huge losses. Many textile units also closed/suspended operations or experienced lower capacity utilisation due to power shortage and issues relating to environmental concerns.

The uncertain and unpredictable Government policy on cotton and yarn export is posing a threat to the new entrants. It also made the existing players to defer their investment proposals for capacity expansion or modernisation. Only large integrated textile companies who have sufficient internal accruals or arrangements with banks / financial institutions were able to proceed with their investment programmes.

The budget for the year 2012-13 too has failed to cheer the Indian textile industry, which has been bogged down by many issues. However, extension of relief for R&D activities and testing laboratories, exemption of expenditure on skill development in manufacturing sector, allocation of ₹1,000 crores for National Skill Development Programmes and

allocation of ₹2,914 crores for TUF scheme were hailed as steps in the right direction.

In the current market scenario, your Company aims to strengthen the existing product lines by presenting new value added products with high level of automation. Despite stiff competition from multinational companies, your Company has retained its market position through its ability to provide comprehensive spinning solutions, prompt after-sale services and commitment to enhance the bottom line of its customers.

The step to allow 100% Foreign Direct Investment in textile sector and retail sector and the commitment to establish more textile parks by the government is expected to bring moderate growth in business to this division in the coming years.

### Machine tool division

Turnover of the Machine Tool Division during the year under review was ₹22,749.17 Lakhs as against ₹18,434.52 Lakhs recorded during the last year showing an increase of 23.40% over the previous year.

Moderation in the growth of automobile and auto ancillary industry has not affected the demand for machine tools. The emerging demand from aerospace, defence, power, railway engineering, heavy engineering, infrastructure and construction has given a new lease of life to this division. Growth of unorganised manufacturers offering low cost machine tools, continuous expansion of capacity by the organised sector and the stiff competition from overseas machine tool manufacturers are throwing a challenge to this division. Improved and sustained efforts of your Company for enhancing the technological competencies and cost competitiveness are expected to yield good results in the near future.

### Foundry division

Foundry division has achieved a turnover of ₹9,170.07 Lakhs as against ₹7,083.44 Lakhs recorded during the previous year showing an increase of 29% over the previous year. This division has exported castings worth ₹5,247.70 Lakhs as against ₹2,913.70 Lakhs made during the previous year. The export turnover constitutes 57% of the division's turnover. The growth in exports is mainly on account of growing demand for locomotive castings due to the growth of railway locomotive businesses in North America and Europe.

Your Company has installed additional high pressure moulding lines,

which would enable this division to take up the manufacture of large volume of small weight castings.

Though the products of this division are well accepted by the global market resulting in a good order book position, shortage of power, non-availability of trained workforce and other production constraints prevent this division from achieving full capacity utilisation.

### Wind energy division

During March 2012 your Company has installed five additional, high capacity Wind Energy Generators (WEG) with a total capacity of 8.85 MW at an investment of ₹6,007 Lakhs.

As on 31st March, 2012 your Company has installed 28 WEGs with a total capacity of 36.80 MW. This division has generated 647 lakh units of power during 2011-12. The entire wind power generated has been captively consumed by the manufacturing units of your Company and thereby has helped to reduce the power cost.

### Advanced technology centre

This division has been established to provide parts and components

required for the aerospace industry. With this end in view, your Company has created world-class infrastructure. To ensure high precision and accuracy in quality your Company is aligned to the AS 9100 Rev B certified organisation.

This division has commenced trial production and some of the products are in the process of validation at customers' end. Also, marketing arrangements have been entered with original equipment manufacturers as well. This is expected to bring more volume of business for this division in the near future.

### Real estate activity

Your Company has received the DTCP approval for its maiden housing project to be undertaken in about five acres of land situated in Ganapathy, Coimbatore. It is proposed to commence the project during the current financial year.

### Exports

During the year under review, your Company has achieved an export turnover as indicated below:

### Export turnover

₹ in Lakhs

Sl.No	Division	FY 2011-12	FY 2010-11	Increase %
1	Textile Machinery*	26,876.87	22,227.68	21
2	CNC Machine Tools	24.94	-	100
3	Castings	5,247.70	2,913.70	80
4	Aerospace Parts	0.44	-	100
	Total Exports	32,149.95	25,141.38	-

\* Export of Textile Machinery as stated above includes exports made to the wholly owned subsidiary, LMW Textile Machinery (Suzhou) Co., Ltd, China.

### Research and development

Your Company views its customers as partners in business and does what it needs to enhance their competitive strength. The voice of the customer is actively pursued within R&D whereby customer requirements are actively blended into future product offering. It is also a consistent endeavour on the part of your Company to offer solutions that offer value for money proposition to buyers. Your Company not only develops technology indigenously but also looks around to source technology that can further add value to customers. For design and development of high-tech machines your Company is associating with renowned institutes worldwide.

The R&D activities resulted in new products offered to the customer.

### Awards

During the year 2011-12 your Company has bagged the following Awards:

- Silver Shield for "Star Performer - Large Enterprise 2009-10 EEPC Regional Award" from Engineering Export Promotion Council for the highest exports.
- Apex Export Award for the year 2010-11 from Textile Machinery Manufacturers Association India for the highest exports.
- R&D Award for the new Card LC 333 and Comber LK 64 for the year 2009-10 from Textile Machinery Manufacturers Association India.
- R&D Award for the new Ring Frame LR 9 for the year 2010-11 from Textile Machinery Manufacturers Association India.

### Directorate

Sri. M.V. Subbiah, Director and Sri. Basavaraju, Nominee Director of LIC are due to retire by rotation at the ensuing Annual General Meeting and being eligible, offer themselves for re-appointment. A brief profile of the Directors retiring by rotation and seeking re-election, to be provided as per clause 49 of the listing agreement is annexed to the notice of Annual General meeting.

### Industrial relations

Relationship with the employees was cordial throughout the year.

### Subsidiary companies

#### 1. LMW Machinery Limited (LMWML)

The 50% shares held by Rieter Machine Works Limited in the erstwhile joint venture Company Rieter - LMW Machinery Limited was acquired by your Company, consequently it became the wholly owned subsidiary of your Company effective from 16th August, 2011. The name of the said Company has been changed to 'LMW Machinery Limited' with effect from 2nd September, 2011.

During the year under review this Company had recorded a turnover of ₹13,764.25 Lakhs as against ₹17,348.94 Lakhs for the previous year and earned a net profit before tax of ₹948.61 Lakhs as against ₹1,695.23 Lakhs recorded during the previous year. The reduction in the turnover and profits is due to the stoppage of operations for preparation of the factory for the manufacture of complete ring frames instead of sections for ring frame assemblies as manufactured earlier.

#### 2. LMW Textile Machinery (Suzhou) Co., Ltd. (LMWTMSCL)

The turnover of the Company during the year under review was ₹15,860.53 Lakhs by sale of 304 machines as against ₹11,221.18 Lakhs achieved by sale of 255 machines during the previous year. As on 31st March, 2012 the Company has received orders for 294 machines worth ₹15,405 Lakhs and the same are under execution. During the year the Company has earned a net profit of ₹93.51 Lakhs (Previous Year Net Loss: ₹1,271.40 Lakhs).

The consolidated financial results incorporating the financial statements of the above subsidiary companies are attached to the annual report as required under the Accounting Standard and the listing agreement.

### Fixed deposits

The Company has not accepted any fixed deposits.

### Listing

Your Company's shares are listed in Madras Stock Exchange Limited, Chennai, Bombay Stock Exchange Limited, Mumbai and the National

Stock Exchange of India Limited, Mumbai. The respective listing fees for the above Stock Exchanges up to the year 2012-13 have been paid.

### Auditors

The retiring Auditors M/s M.S. Jagannathan & Visvanathan and M/s Subbachar & Srinivasan, Joint Auditors of the Company, being eligible for reappointment, have consented to act as Joint Auditors of the Company, if appointed and necessary certificate pursuant to Section 224(1B) of the Companies Act, 1956 has been received from them.

### Information pursuant to Section 217 of the Companies Act, 1956.

Information in accordance with Clause (e) of sub-section 217 of the Companies Act, 1956, read with the Companies (Disclosure of particulars in the Report of Board of Directors) Rules, 1988 and forming part of the Director's Report for the year ended 31st March, 2012 is given in Annexure-I of this Report.

Information in accordance with Sub-section (2A) of Section 217 of the Companies Act, 1956, read with the Companies (Particulars of Employees) Rules, 1975 and forming part of Directors' Report for the year ended 31st March, 2012 is given in Annexure - II of this Report.

### Additional disclosures

Management Discussion and Analysis Report, Corporate Governance Report, Segment report, and Related Party Disclosures provided elsewhere in the Annual Report forms a part of this Report as required under the Listing Agreement entered into with the Stock Exchanges.

### Directors' responsibility statement

In compliance of Section-217 (2AA) of the Companies Act, 1956 the Directors of your Company confirm that:

- All applicable Accounting Standards have been followed in the preparation of Annual Accounts and that there are no material departures;
- Such accounting policies have been selected and applied consistently and such judgments and estimates made are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2012 and of the profit of the Company for the year ended on that date;
- Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- The Annual Accounts of your Company have been prepared on a going concern basis.

## General

Your Directors thank the customers' for their continued support and patronage.

Your Directors also thank the Company's Bankers and Selling Agents for

their valuable assistance.

Your Directors wish to place on record their appreciation for the co-operation and contribution made by the employees at all levels towards the progress of the Company.

On Behalf of the Board

Place: Coimbatore  
Date: 23rd May, 2012

R. Venkatrangappan  
Chairman

# ANNEXURE - I

## Information pursuant to the Companies (Disclosure of particulars in the report of Board of Directors) Rules 1988.

### Conservation of energy

Energy efficient lighting and compatible fittings were installed in Advanced Technology Centre and Accessories Unit. A new powerhouse has been commissioned in Foundry Unit II to reduce power Transmission losses. Automatic Power Factor Control Panels are installed in our Units to improve the power factor and reduce the demand. Coil cooler type cooling towers have been replaced with conventional cooling towers to reduce power consumption. Air cooled air compressors also have been installed to reduce the power consumption

### FORM - B

(See Rule 2)

Form for disclosure of particulars with respect to absorption

### Textile machinery division

#### A. RESEARCH & DEVELOPMENT:

1 Specific areas in which R&D carried out by the Company	Development of new concepts and products for spinning machinery by considering EOHS aspects, using Design for Six Sigma tools and Team Centre Product Life Cycle Management.
2 Benefits derived as a result of the above	Development of high performance, cost efficient and user-friendly machines.
3 Future plan of action	Development of new models and improvements in the existing machines as per the customer requirements within the applicable norms
4 Expenditure on R&D	₹ in Lakhs
a. Capital	570.35
b. Recurring	804.41
c. Total	1,374.76
d. Total R&D Expenditure as a percentage of total turnover	0.78%

#### B. TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATION

1 Efforts in brief, made towards Technology absorption, adaptation and innovation	Extensive in-house and external training to achieve specialisation, domain knowledge development, skill building and IPR analysis. Modeling and simulation in consultation with external experts.
2 Benefits derived as a result of the above efforts, for example development of import substitution etc.	Improvement in the performance of the machines, enhancement of the domain expertise and knowledge base.
3 In case of imported technology (imported during the last 5 years reckoned from the beginning of the financial year)	
a Technology imported	Technology for the manufacture of Roving Frame imported from M/s. Grossenhainer, Germany
b Year of Import	2007
c Has technology been fully absorbed	Yes
d If not fully absorbed, areas where this has not taken place, reasons there for and future plans of action	Not Applicable

### Machine tool division

#### A. RESEARCH & DEVELOPMENT:

1 Specific areas in which R&D carried out by the Company	HMCs, Turning Centres, Vertical turning Lathe
2 Benefits derived as a result of the above	Development of high-precision, user-friendly, low-cost machines
3 Future plan of action	Strengthening of technology base and bringing out high technology and high performance CNC Machine Tools.
4 Expenditure on R & D	₹ in Lakhs
a. Capital	-
b. Recurring	138.66
c. Total	138.66
d. Total R& D Expenditure as a percentage of total turnover	0.61%

## B. TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATION

1 Efforts in brief, made towards technology absorption, adaptation and innovation	Made arrangements for technical tie-ups to augment the existing product range. Stepped up investments in capital expenditure to acquire high technology mother machines.
2 Benefits derived as a result of the above efforts, for example development import substitution etc.	New machines and new variants of the existing machines were commercialised. Improvement in the performance of the existing machines.
3 In case of imported technology (imported during the last five years reckoned from the beginning of the financial year)	
a Technology imported	Technology for the manufacture of Vertical Turning Machine was imported from M/s. Rasoma, Germany
b Year of Import	2008
c Has technology been fully absorbed	Under progress
d If not fully absorbed, areas where this has not taken place, reasons there for and future plans of action	Not Applicable

## FOREIGN EXCHANGE EARNINGS AND OUT-GO:

Foreign Exchange earned through exports amount to	: ₹32,149.96 Lakhs
Foreign Exchange used	: ₹34,569.96 Lakhs

# ANNEXURE - II

## 1. Philosophy on Code of Governance

The corporate vision of LMW is to deliver world-class customer service by being committed to values. LMW is therefore committed to ethical business conduct of corporate functioning by maximising customer satisfaction through the delivery of quality products on time and at reasonable prices while complying with all regulations, as applicable from time to time, with adequate transparency and accountability. At LMW, the pursuit of perfection is an on-going process enabling it to look back with immense satisfaction on its past achievements and look ahead with confidence to a promising and challenging future. The strategy remains to maintain its leadership through systematic initiatives in product development, giving customers quality products. LMW aims to ensure high ethical standards in all its business activities thereby enhancing its stakeholders' value.

## 2. Board of Directors

The Company's Board of Directors comprises eminent personalities who are high-achievers in their respective business/profession and have decades of experience to their credit. The Directors are committed to ethical, lawful conduct of business; personally possess and practice highest professional ethics, integrity and values enabling them to provide adequate leadership and guidance to tune the affairs of the Company in the right direction. The Board of Directors are well committed to the highest standard of governance practices which allow the Company to

carry on its business in the long-term interest of the stakeholders'.

To ensure participation of all the Directors at the Board meetings, the dates of Board meetings are determined and intimated to the Directors well in advance. The Company always places before the Board all the information as required under Clause-49 of the Listing Agreement to ensure complete transparency. The Board determines strategic policies, approves annual plans and budgets, capital expenditure, new projects, investment plans, conducts performance review, ensures statutory compliance, and risk management among others periodically. Minimum of four meetings of the Board of Directors are held each year, one meeting is held in each quarter and the gap between two meetings does not exceed four months.

## Composition

Board of Directors of the Company is constituted in such a way that it strictly conforms to the provisions of the Companies Act, 1956 and the conditions of the listing agreement. The composition of the Board ensures a judicious mix of Executive and Non Executive Directors as well as the combination of Independent and Non-Independent Directors.

The Board consists of Nine Directors, of whom one is the Non Executive Chairman, one is Managing Director, one is Director Finance and six are Non-Executive Directors. Out of the six Non Executive Directors, one is a Nominee Director representing LIC as an equity investor.

## Position of Board of Directors

Directors	Position	Other Directorships	Membership in Committees	
			Chairman	Member
Sri R. Venkatragappan	Non-Executive Chairman-Non Independent	4	6	-
Sri Sanjay Jayavarthanavelu	Executive-Managing Director-Non Independent	10	-	5
Sri M. V. Subbiah	Non-Executive-Independent	5	3	-
Sri S. Pathy	Non-Executive-Non Independent	10	-	1
Sri R. Satagopan	Non-Executive-Independent	1	2	4
Sri Basavaraju	Non-Executive-Independent, Nominee of LIC	-	-	-
Sri Aditya Himatsingka	Non-Executive-Independent	5	-	4
Dr. Mukund Govind Rajan	Non-Executive-Independent	1	-	2
Sri R. Rajendran	Executive-Director Finance-Non Independent	1	1	1

Number of chairmanship/membership in committees of all the Directors are within the limits specified in clause 49 (l) (c) (ii) of the listing agreement

### Board Meetings and Attendance:

During the year under review, five Board meetings were held on 1st April, 2011, 20th May, 2011, 10th August, 2011, 31st October, 2011 and 23rd January, 2012.

Details of attendance of each Director at the meetings of the Board, Share Transfer Committee and AGM held during the financial year ended 31st March, 2012 are as follows:

Directors	Board Meeting (5)*	Share Transfer Committee (10)*	Last AGM Attended (Yes/No)
Sri R. Venkatragappan	5	10	Yes
Sri Sanjay Jayavarthanavelu	5	10	Yes
Sri M. V. Subbiah	1	–	Yes
Justice Sri G. Ramanujam (Retired.) (upto 10th August, 2011)	1	–	No
Justice Sri S.Natarajan (Retired) (upto 10th August, 2011)	3	–	Yes
Sri S. Pathy	4	–	Yes
Sri R. Satagopan	5	–	Yes
Sri Basavaraju	5	–	Yes
Sri Aditya Himatsingka	3	–	Yes
Dr Mukund Govind Rajan	5	–	Yes
Sri R. Rajendran	5	–	Yes

\* The figures within brackets denote the number of meetings held during the year 2011-12.

Brief resume, details of shareholding and the Directors' inter-se relationship of the Directors seeking reappointment are provided as annexure to the Notice of Annual General Meeting.

### Shareholding of Non-Executive Directors

Sl No	Name of the Director	Number of shares held
1	Sri R. Venkatragappan	1,100
2	Sri M. V. Subbiah	–
3	Sri S. Pathy	1,420
4	Sri R. Satagopan	–
5	Sri Basavaraju	–
6	Sri Aditya Himatsingka	–
7	Dr Mukund Govind Rajan	–

### Remuneration of Directors

The Board determines the remuneration payable to Non-Executive Directors. They are being paid sitting fees of ₹20,000/- per meeting of the Board of Directors and Committees thereof attended by them.

Non-Executive Directors are also paid commission in the aggregate up to 1% of the net profits per annum. The shareholders of the Company at the Extra-ordinary General Meeting held on 10th September, 2010 have approved the same. The amount of commission payable to each Director is determined by the Board.

Remuneration payable to Executive Directors consists of salary, perquisites and commission. Remuneration to Executive Directors are determined by the Remuneration Committee of Board of Directors and approved by the shareholders at the General Meetings. No sitting fee is being paid to the Executive Directors for attending Board meetings and Committee meetings.

Remuneration and sitting fees paid to the Executive and Non Executive Directors during the year ended 31st March, 2012 are as below: (Amount in ₹)

Name	Salary	Perquisites	Sitting fees	Commission paid for FY 2010-11	Total
Dr. D. Jayavarthanavelu (upto 10th June, 2010)	-	-	-	95,52,837	95,52,837
Sri R. Venkatragappan	-	-	3,00,000	2,25,47,878	2,28,47,878
Sri Sanjay Jayavarthanavelu	60,00,000	59,88,157	-	2,44,94,454	3,04,82,611
Sri M. V. Subbiah	-	-	40,000	5,00,000	5,40,000
Justice Sri G. Ramanujam (Retired)	-	-	20,000	5,00,000	5,20,000
Justice Sri S. Natarajan (Retired)	-	-	1,40,000	5,00,000	6,40,000

### Committee of Directors

To assist the Board in conducting the affairs of the Company the Board has constituted various committees. The role and responsibilities and the scope of operation of such Committees were clearly defined in the terms of reference of each Committee as per the statutory requirements. The details of the Board Committees constituted and their operations are as follows:

#### (i) Audit Committee:

The Audit Committee was reconstituted consequent to the retirement of some of the Directors; the reconstituted committee consists of the

following Directors:

1. Sri. R. Satagopan, Chairman
2. Sri. Aditya Himatsingka
3. Dr. Mukund Govind Rajan

Sri K. Duraisami, Company Secretary serves as the secretary of the Committee. The Audit committee would assure to the Board, compliance of adequate internal control system, compliance of Accounting Standards, financial disclosure and other issues conforming to the requirements specified by the Companies Act, 1956 and by the Stock Exchanges in terms of Listing Agreement. The committee meets once in every quarter to carry out its business.

The Committee met four times during the financial year under review on 20th May, 2011, 10th August, 2011, 31st October, 2011 and 23rd January, 2012. Details of attendance of members are as follows:

### Date of Meetings and Attendance

Name of the Member	Attendance of meetings held on			
	20.05.11	10.08.2011	31.10.11	23.01.12
1. Justice Sri G. Ramanujam (Retd.) upto 10th August 2011	-	-	N.A.	N.A.
2. Justice Sri S. Natarajan ( Retd.) upto 10th August 2011	✓	✓	N.A.	N.A.

## Auditors' Certificate on Compliance of Conditions of Corporate Governance as per clause 49 of the Listing Agreement with Stock Exchanges.

### TO THE MEMBERS OF LAKSHMI MACHINE WORKS LIMITED

We have examined the compliance of conditions of Corporate Governance by Lakshmi Machine Works Limited, for the year ended on 31st March, 2012, as stipulated in clause 49 of the Listing Agreement of the said company with Stock Exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the

explanations given to us, we certify that the company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreement.

On the basis of representation received from the Registrar and Share Transfer agents of the company and on the basis of the records maintained by the Shareholders / Investors Grievance Committee of the company, we state that no investor grievance is pending for a period exceeding one month.

We further state that such compliance is neither an assurance as to the future viability of the company nor the efficiency or effectiveness with which the management has conducted the affairs of the company.

The Board of Directors,  
Lakshmi Machine Works Limited,  
Coimbatore.

### Annual Confirmation pursuant to Clause 49(V) of the Listing Agreement

As required by Clause 49(V) of the Listing Agreement with Stock Exchanges, we hereby certify that:

- We have reviewed the financial statements and the cash flow statement of the Company for the year ended 31st March, 2012 and that to the best of our knowledge and belief:
  - these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading ;
  - these statements together present a true and fair view of the company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent,

illegal or violative of the Company's Code of Conduct.

- We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting and we have disclosed to the auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- We have indicated to the auditors and the Audit committee
  - significant changes in internal control over financial reporting during the year ;
  - significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and
  - that there were no instances of fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

## Auditors' Report

To the Shareholders of  
LAKSHMI MACHINE WORKS LIMITED

1. We have audited the attached Balance Sheet of LAKSHMI MACHINE WORKS LIMITED as at 31st March 2012, the Statement of Profit & Loss and also the Cash Flow Statement for the year ended on that date annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. As required by Companies (Auditor's Report) Order, 2003 issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Companies Act, 1956, we enclose in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said order.
4. Further to our comments in the Annexure referred to above, we report that:
  - a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the company so far as appears from our examination of those books
  - c) The Balance Sheet, Statement of Profit & Loss and Cash Flow Statement dealt with by this report are in agreement with the books of account;
  - d) In our opinion, the Balance Sheet, Statement of Profit & Loss

and Cash Flow Statement dealt with by this report comply with the mandatory Accounting Standards referred to in Section 211(3C) of the Companies Act, 1956.

- e) On the basis of the written representations received from the Directors, as on 31st March, 2012 and taken on record by the Board of Directors, we report that none of the Directors is, prima facie, disqualified as on 31st March, 2012 from being appointed as a Director in terms of Clause (g) of subsection (1) of Section 274 of the Companies Act, 1956.
- f) In our opinion and to the best of our information and according to the explanations given to us, the said accounts read with the statement of significant accounting policies and the notes to the accounts, give the information required by the Companies Act, 1956 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India;
  - 1) in the case of the Balance Sheet of the state of affairs of the Company as at 31st March 2012 and
  - 2) in the case of Statement of Profit & Loss, of the Profit of the Company for the year ended on that date.
  - 3) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

## Annexure to the Auditors Report

Annexure referred to in paragraph 3 of our report of even date to the Shareholders of LAKSHMI MACHINE WORKS LIMITED on accounts for the year ended 31st March, 2012.

1. In respect of its Fixed Assets:
  - a. The company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
  - b. The company has physically verified fixed assets during the year in accordance with a regular and phased programme of verification, which in our opinion provides for physical verification of all the fixed assets at reasonable intervals having regard to the size of the company and nature of its assets. According to the information and explanations given to us no material discrepancies were noticed on such verification.
  - c. The company has not disposed off any substantial part of fixed assets during the year that affects the going concern assumption.
2. In respect of its inventories:
  - a. As explained to us, inventories have been physically verified by the management at regular intervals during the year.
  - b. In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
  - c. In our opinion and according to the information and explanations given to us, the company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification as compared to the book records.
3. a) The company has not taken any loans, secured or unsecured, from companies, firms or other parties covered in the register maintained under Section 301 of the Companies Act, 1956.
  - b) During the year the company has given an unsecured loan of ₹1,000 Lakhs to one party covered in the register maintained under Section 301 of the Companies Act, 1956. The maximum amount outstanding during the year in respect of this loan and the loans to two other parties given in the earlier years, was ₹2,500 Lakhs and their year end balance was ₹1,100 Lakhs.
- c) In our opinion, the rate of interest and other terms and conditions on which loans have been given are not prima facie, prejudicial to the interests of the company and the repayment of principal amount and payment of interest are regular as stipulated and there are no overdue amounts.
4. In our opinion and according to the information and explanations given to us, there are adequate internal control systems commensurate with the size of the company and nature of its business for the purchase of inventory, fixed assets and also for the sale of goods and services. We have not observed any major weaknesses in internal control systems during the course of our audit.
5. In respect of contracts or arrangements referred to in Sec. 301 of the Companies Act, 1956:
  - a. In our opinion and according to the information and explanations given to us, particulars of such contracts or arrangements have been entered in the register required to be maintained under Sec. 301 of the Companies Act, 1956.
  - b. In our opinion and according to the information and explanations given to us, the transactions made in pursuance of such contracts or arrangements have been made at prices which are reasonable having regard to the prevailing market prices at the relevant time.
6. The company has not accepted any deposits from the public and as such clause 4(vi) of the Order is not applicable.
7. In our opinion, the company has an adequate internal audit system commensurate with the size and nature of its business.
8. We have broadly reviewed the cost records maintained by the company pursuant to the Companies(Cost Accounting Records) Rules, 2011 prescribed by the Central Government under Sec. 209(1)(d) of the Companies Act, 1956, as applicable to the company, and are of the opinion that prima facie the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
9. According to the information and explanations given to us in respect of the statutory dues:
  - a. The company is regular in depositing undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income Tax, Wealth Tax, Service Tax, Sales Tax, Customs Duty, Excise Duty, Cess and any other Statutory dues with the appropriate authorities during the year. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at 31st March 2012 for a period of more than six months from the date they became payable.
    - b. The details of disputed statutory dues are as under:
 

Name of the Statute	Nature of the dues	Amount [₹ In Lakhs]	Amount paid/ adjusted	Forum where dispute is pending
Central Excise Act, 1944	Excise Duty	385.59	NIL	Appellate authorities Upto Commissioner's Level - ₹279.58 Lakhs CESTAT - ₹84.67 Lakhs High Court - ₹21.34 Lakhs
Income Tax Act	Income tax and Interest	274.51	NIL	Commissioner of Income Tax (Appeals) ₹274.51 Lakhs
10. The company has no accumulated losses and has not incurred any cash losses during the financial year covered by our audit and in the immediately preceding financial year.
11. In our opinion and according to the information and explanations given to us, the company has not defaulted in the repayment of dues to financial institutions, banks and debenture holders.
12. In our opinion and according to the information and explanation given to us, no loans and advances have been granted by the company on the basis of security by way of pledge of shares, debentures and other securities.
13. The company is not a Chit Fund or a Nidhi/Mutual Benefit Fund/society and as such reporting under clause (xiii) of the Order is not applicable to the company.
14. The company is not dealing or trading in shares, securities, debentures and other investments and as such clause (xiv) of the Order is not applicable to the company.
15. According to the information and explanations given to us the company has not given any guarantee for loans taken by others from banks or financial institutions.
16. To the best of our knowledge and belief and according to the information and explanations given to us, no term loans were availed by the company during the year.
17. The company has not raised any funds on short terms basis.
18. The company has not made any preferential allotment of shares during the year.
19. The company has not issued any debentures during the year.
20. The company has not raised any money by public issue during the year.
21. To the best of our knowledge and belief and according to the information and explanations given to us, no fraud on or by the company was noticed or reported during the year that causes the financial statements to be materially misstated.

## Notes forming part of the financial statements

### Note: 1. CORPORATE INFORMATION

Lakshmi Machine Works Limited is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on three stock exchanges in India. The Company is engaged in the manufacturing and selling of Textile Spinning Machinery, CNC Machine Tools, Heavy castings and parts and components for Aero space industry. The company caters to both domestic and international markets.

### Note: 2. SIGNIFICANT ACCOUNTING POLICIES

#### 2.1 Method of accounting

The financial statements are prepared under historical cost convention and on accrual basis and in accordance with the provisions of the Companies Act, 1956 and accounting principles generally accepted in India and comply with the Accounting Standards prescribed in the Companies (Accounting Standards) Rules, 2006 issued by the Central Government to the extent applicable. The accounting is on the basis of going concern concept.

#### 2.2 Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognized in the period in which the results are known/ materialised.

#### 2.3 Fixed Assets:

Fixed assets are stated at historical cost net of Cenvat credit / Value added Tax, including appropriate direct and allocated expenses less accumulated depreciation and impairment losses, if any. Increase/Decrease in rupee liability in respect of foreign currency liability related to acquisition of fixed assets is recognized as expense or income in the Statement of Profit and Loss. Self constructed assets are capitalized at factory cost.

#### 2.4 Investments:

Long Term Investments are carried at cost inclusive of all expenses incidental to acquisition. Provision for diminution in value of long term investments is made only if such a decline is other than temporary in nature in the opinion of the management. Adjustment for diminution in value of long term investments, considered temporary in the opinion of the management, are determined for each investment individually and credited to Investment Fluctuation Reserve by transfer from Statement of Profit and Loss.

#### 2.5 Valuation of Inventories

Inventories are valued at lower of cost and net realisable value after providing for obsolescence wherever necessary. Cost is determined on weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

#### 2.6 Translation of Foreign Currency Transactions:

Foreign currency transactions are recorded at the prevailing exchange rates at the time of initial recognition. Exchange differences arising on final settlement are adjusted and recognized as income or expense in the Statement of Profit and Loss. Outstanding balances of monetary items denominated in foreign currency are restated at closing exchange rates and the difference adjusted as income or expense in the Statement of Profit and Loss.

The premium or discount arising at the inception of forward exchange contracts is accounted as income or expense over the life of the contract. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expense in the period in which they arise.

#### 2.7 Depreciation

Depreciation on all fixed assets is provided on the written down value method except in the case of Wind Mills for which Straight Line Method is adopted at the rates specified in Schedule XIV of the Companies Act, 1956. For additions and deletions depreciation is provided on pro-rata basis.

#### 2.8 Recognition of Revenue

Income and Expenditure are recognized and accounted on accrual basis as and when they are earned or incurred. Revenue from sale transaction is recognized as and when significant risks and rewards attached to ownership in the goods is transferred to the buyer. Revenue from service transactions is recognised on the completion of the contract. Dividend from Investments, Export incentives under Duty Entitlement Pass Book [DEPB] Scheme and Duty drawback scheme are recognized when the right to receive payment/credit is established and

## Notes forming part of the financial statements

### Note: 2. SIGNIFICANT ACCOUNTING POLICIES (Contd...)

no significant uncertainty as to measurability or collectability exists. Revenue from carbon credits are recognised on delivery thereof or sale of rights therein, as the case may be, in terms of the contract with the respective buyer.

#### 2.9 Borrowing costs

Interest on borrowings, if any, attributable to acquisition of qualifying Assets are capitalized and included in the cost of the asset, as appropriate.

#### 2.10 Earnings per Share:

Basic Earning per share is calculated by dividing the Net Profit after tax attributable to the equity shareholders by the weighted average number of Equity Shares outstanding during the year.

#### 2.11 Employee Benefits:

Short term employee benefits (other than termination benefits) which are payable within 12 months after the end of the period in which the employees render service are accounted on accrual basis.

#### Defined Contribution Plans

Company's contributions paid / payable during the year to Provident Fund, Superannuation Fund and ESIC are recognized in the Statement of Profit and Loss.

#### Defined Benefit Plans

Company's liabilities towards gratuity and leave encashment are determined using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Past services are recognized on a straight line basis over the average period until the amended benefits becomes vested. Actuarial gains or losses are recognized immediately in the statement of profit and loss as income or expense. Obligation is measured at the year end as present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the balance sheet date on government bonds where the currency and terms of the government bonds are consistent with the currency and estimated terms of the defined benefit obligations.

#### 2.12 Research and Development

Revenue expenditure incurred on Research and Development activities are expensed. Fixed assets relating to Research and Development are capitalized and depreciation provided thereon.

#### 2.13 Taxes on Income

Current Tax is determined as per the provisions of the Income-tax Act, 1961 in respect of taxable income for the year and based on the expected outcome of assessment /appeals.

Deferred Tax assets and liabilities are recognized on timing differences between accounting income and taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred Tax assets, other than those arising on account of unabsorbed depreciation or carry forward of losses under tax laws, are recognized and carried forward subject to consideration of prudence only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

#### 2.14 Provisions, contingent liabilities and contingent assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the notes to financial statements. Contingent assets are neither recognised nor disclosed in the financial statements. Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

#### 2.15 Cash Flow Statements

Cash Flows are reported using the Indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. Cash and cash equivalents include cash on hand and balances with banks in current and deposit accounts with necessary disclosure of cash and cash equivalent balances that are not available for use by the company.

## Notes to the financial statements

### Note: 2. SIGNIFICANT ACCOUNTING POLICIES (Contd...)

#### 2.16 Segment Reporting

Segment accounting policies are in line with the accounting policies of the company, except that segment revenue includes sales and other income directly identifiable or allocable to the segment including inter-segment revenue.

Business segments are identified on the basis of the nature of products/ services, the risk-return profile of individual businesses, the organizational structure and the internal reporting system of the company.

Segment revenue, segment expenses and segment assets and liabilities include those directly identifiable with the respective segments. Income, expenses, assets and liabilities which are not identifiable with or allocable to a separate segment on a reasonable basis but are related to the company as a whole are shown as unallocated items.

Inter-segment transfers are accounted for on weighted average cost basis.

#### 2.17 Impairment of assets

An asset is treated as impaired when the carrying amount of the asset exceeds its estimated recoverable value. Carrying amounts of fixed assets are reviewed at each balance sheet date to determine indications of impairment, if any, of those assets. If any such indication exists, the recoverable amount of the asset is estimated and an impairment loss equal to the excess of the carrying amount over its recoverable value is recognized as an impairment loss. The impairment loss, if any, recognised in prior accounting period is reversed if there is a change in estimate of recoverable amount.

#### 2.18 Leases

Assets given on leases where substantial risks and rewards incident to ownership of the asset are not transferred to the lessee are classified as operating leases. Lease income from such operating leases is recognized on straight line basis over the lease term. Depreciation on such leased assets is charged as per the normal depreciation policy of the company for similar assets. Initial direct costs incurred specifically in relation to such operating leases is recognised as expense in the period in which they are incurred.

4. Attrition rate	2.00%	2.00%	3.00%	2.00%	2.00%	3.00%
5. Mortality rate	LIC (1994-96) Ultimate					

#### Note:

The salary escalation considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

## Notes to the financial statements

### Note: 25. ADDITIONAL INFORMATION TO THE FINANCIAL STATEMENTS (Contd...)

#### 25.19. Employee Benefits (Contd...)

Gratuity is applicable to all permanent and full time employees of the company.

Gratuity payment is based on last drawn basic salary and dearness allowance at the time of termination or retirement. The Scheme takes into account each completed year of service or part thereof in excess of six months. The entire contribution is borne by the company.

Leave encashment benefits are provided as per the Rules of the Company. The liabilities on account of defined benefit obligations are expected to be contributed within the next financial year.

## Consolidated Auditors' Report

To the Board of Directors of

M/s. LAKSHMI MACHINE WORKS LIMITED on the Consolidated Financial Statements of M/s.LAKSHMI MACHINE WORKS LIMITED and its wholly owned subsidiaries

We have examined the attached Consolidated Balance Sheet of M/s. LAKSHMI MACHINE WORKS LIMITED [the company] and its subsidiaries as at 31st March 2012, the Consolidated Statement of Profit and Loss and the consolidated cash flow statement for the year ended on that date. These financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

- 1) We conducted our audit in accordance with generally accepted auditing standards in India. These standards require that we plan and perform the audit to obtain reasonable assurance whether the financial statements are prepared, in all material aspects, in accordance with an identified financial reporting framework and are free of material misstatements. An audit includes, examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements. We believe that our audit provides a reasonable basis for our opinion.
- 2) We did not audit the financial statements of the subsidiaries whose financial statements reflect total assets of ₹16,334.13 Lakhs as at 31st March 2012 and total revenues of ₹25,533.09 Lakhs for the period ended on that date. These financial statements have been audited by other auditors whose reports have been furnished to us and our opinion, in so far as it relates to the amounts included in respect of the subsidiary, is based solely on the reports of the other auditors.
- 3) We report that the consolidated Financial Statements have been prepared by the Company in accordance with the requirements of Accounting Standard (AS-21), "Consolidated Financial

Statements", as notified by the Companies (Accounting Standards) Rules, 2006, and on the basis of the separate audited financial statements of the company and its subsidiaries.

- 4) On consideration of the separate audit reports on individual financial statements of the company and its subsidiaries and to the best of our information and according to the explanations given to us and we are of the opinion that the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:
  - a) In the case of the Consolidated Balance Sheet of the consolidated state of affairs of the company and its subsidiaries as at 31st March 2012;
  - b) In the case of the Consolidated Statement of Profit and Loss of the consolidated profit of the company and its subsidiaries for the year ended on that date;
  - c) In the case of the Consolidated cash flow statement of the consolidated cash flows of the company and its subsidiaries for the year ended on that date.

## Notes forming part of Consolidated Financial Statements

### Note: 1. CORPORATE INFORMATION

Lakshmi Machine Works Limited is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on three stock exchanges in India. The Company is engaged in the manufacturing and selling of Textile Spinning Machinery, CNC Machine Tools, Heavy castings and parts and components for the Aero space industry. The company caters to both domestic and international markets.

LMW Textile Machinery (Suzhou) Co., Limited and LMW Machinery Limited, Coimbatore, Wholly owned subsidiary companies manufacture Textile Spinning Machinery, Spares and Components

### Note: 2. SIGNIFICANT ACCOUNTING POLICIES

#### 2.1 Basis of preparation

The consolidated financial statements relate to Lakshmi Machine Works Limited and its wholly owned subsidiaries. The financial statements are prepared under historical cost convention using uniform accounting policies and in accordance with the generally accepted accounting principles and Accounting Standard 21 on "Consolidated Financial Statements" and are presented to the extent possible in the same manner as the company's separate financial statements except as otherwise disclosed in the notes to accounts.

#### 2.2 Principles of consolidation

- The financial statements of the company and its subsidiary company have been combined on a line by line basis by adding together the book value of like items of assets, liabilities, income and expenses after eliminating intra-group balances and intra-group transactions.
- The translation of foreign currencies into Indian Rupees [Reporting currency] is performed for assets and liabilities at the closing exchange rate at the Balance Sheet date and for revenues, cost and expenses using the average rate prevailing during the reporting period. Exchange differences arising from such translation of non-integral foreign operations are accumulated in Foreign Currency Translation Reserve until disposal of net investment.
- Goodwill represents the difference between the group's share in the net worth of a subsidiary and the cost of acquisition at each point of time of making the investment in the subsidiary. Goodwill arising on consolidation is not amortised. For this purpose the group's share of networth is determined on the basis of the latest financial statement prior to the acquisition after making necessary adjustments for material events between the date of such audited financial statements and the date of respective acquisition.

#### 2.3 Method of accounting

The financial statements are prepared under historical cost convention and on accrual basis and in accordance with the provisions of the Companies Act, 1956 and accounting principles generally accepted in India and comply with the Accounting Standards prescribed in the Companies (Accounting Standards) Rules, 2006 issued by the Central Government to the extent applicable. The accounting is on the basis of a going concern concept.

#### 2.4 Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognized in the period in which the results are known/ materialized.

#### 2.5 Fixed Assets:

Fixed assets are stated at historical cost net of Cenvat credit /Value added Tax, including appropriate direct and allocated expenses less accumulated depreciation and impairment losses, if any. Increase/Decrease in rupee liability in respect of foreign currency liability related to acquisition of fixed assets is recognized as expense or income in the Statement Profit and Loss. Self constructed assets are capitalized at factory cost.

#### 2.6 Investments:

Long Term Investments are carried at cost inclusive of all expenses incidental to acquisition. Provision for diminution in value of long term investments is made only if such a decline is other than temporary in nature in the opinion of the management. Adjustment for diminution in value of long term investments, considered temporary in the opinion of the management, are determined for each investment individually and credited to Investment Fluctuation Reserve by transfer from Statement of Profit and Loss.

## Notes forming part of Consolidated Financial Statements

#### 2.7 Valuation of Inventories

Inventories are valued at lower of cost and net realisable value after providing for obsolescence wherever necessary. Cost is determined on weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

#### 2.8 Translation of Foreign Currency Transactions:

Foreign currency transactions are recorded at the prevailing exchange rates at the time of initial recognition. Exchange differences arising on final settlement are adjusted and recognized as income or expense in the statement of profit and loss. Outstanding balances of monetary items denominated in foreign currency are restated at closing exchange rates and the difference adjusted as income or expense in the statement of profit and loss.

The premium or discount arising at the inception of forward exchange contracts is accounted as income or expense over the life of the contract. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expense in the period in which they arise.

#### 2.9 Depreciation

Depreciation on all fixed assets is provided on the written down value method except in the case of Wind Mills for which Straight Line Method is adopted at the rates specified in Schedule XIV of the Companies Act, 1956. Fixed assets of the wholly owned subsidiary are depreciated by using the straight line method over estimated useful lives. For additions and deletions depreciation is provided on pro-rata basis.

#### 2.10 Recognition of Revenue

Income and Expenditure are recognized and accounted on accrual basis as and when they are earned or incurred. Revenue from sale transaction is recognized as and when significant risks and rewards attached to ownership in the goods is transferred to the buyer. Revenue from service transactions is recognized on the completion of the contract. Dividend from Investments, Export incentives under Duty Entitlement Pass Book [DEPB] Scheme and Duty drawback scheme are recognized when the right to receive payment/credit is established and no significant uncertainty as to measurability or collectability exists. Revenue from carbon credits are recognised on delivery thereof or sale of rights therein, as the case may be, in terms of the contract with the respective buyer.

#### 2.11 Borrowing costs

Interest on borrowings, if any, attributable to acquisition of qualifying Assets are capitalised and included in the cost of the asset, as appropriate.

#### 2.12 Earnings per Share:

Basic Earning per share is calculated by dividing the Net Profit after tax attributable to the equity shareholders by the weighted average number of Equity Shares outstanding during the year.

#### 2.13 Employee Benefits:

Short term employee benefits (other than termination benefits) which are payable within 12 months after the end of the period in which the employees render service are accounted on accrual basis.

##### *Defined Contribution Plans*

Company's contributions paid / payable during the year to Provident Fund, Superannuation Fund and ESIC are recognized in the statement of profit and loss.

##### *Defined Benefit Plans*

Company's liabilities towards gratuity and leave encashment are determined using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Past services are recognised on a straight line basis over the average period until the amended benefits becomes vested. Actuarial gains or losses are recognized immediately in the statement of profit and loss as income or expense. Obligation is measured at the year end as present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the balance sheet date on government bonds where the currency and terms of the government bonds are consistent with the currency and estimated terms of the defined benefit obligations.

## Notes forming part of Consolidated Financial Statements

### 2.14 Research and Development

Revenue expenditure incurred on Research and Development activities are expensed. Fixed assets relating to Research and Development are capitalized and depreciation provided thereon.

### 2.15 Taxes on Income

Current Tax is determined as per the provisions of the Income-tax Act, 1961 in respect of taxable income for the year and based on the expected outcome of assessment/appeals.

Deferred Tax assets and liabilities are recognized on timing differences between accounting income and taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred Tax assets, other than those arising on account of unabsorbed depreciation or carry forward of losses under tax laws, are recognized and carried forward subject to consideration of prudence only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

### 2.16 Provisions, contingent liabilities and contingent assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the notes to financial statements. Contingent assets are neither recognised nor disclosed in the financial statements. Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

### 2.17 Cash Flow Statements

Cash Flows are reported using the Indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. Cash and cash equivalents include cash on hand and balances with banks in current and deposit accounts with necessary disclosure of cash and cash equivalent balances that are not available for use by the company.

### 2.18 Segment Reporting

Segment accounting policies are in line with the accounting policies of the company, except that segment revenue includes sales and other income directly identifiable or allocable to the segment including inter-segment revenue.

Business segments are identified on the basis of the nature of products/ services, the risk-return profile of individual businesses, the organizational structure and the internal reporting system of the company.

Segment revenue, segment expenses and segment assets and liabilities include those directly identifiable with the respective segments. Income, expenses, assets and liabilities which are not identifiable with or allocable to a separate segment on a reasonable basis but are related to the company as a whole are shown as unallocated items.

Inter-segment transfers are accounted for on weighted average cost basis.

### 2.19 Impairment of assets

An asset is treated as impaired when the carrying amount of the asset exceeds its estimated recoverable value. Carrying amounts of fixed assets are reviewed at each balance sheet date to determine indications of impairment, if any, of those assets. If any such indication exists, the recoverable amount of the asset is estimated and an impairment loss equal to the excess of the carrying amount over its recoverable value is recognized as an impairment loss. The impairment loss, if any, recognized in prior accounting period is reversed if there is a change in estimate of recoverable amount.

### 2.20 Leases

Assets given on leases where substantial risks and rewards incident to ownership of the asset are not transferred to the lessee are classified as operating leases. Lease income from such operating leases is recognised on straight line basis over the lease term. Depreciation on such leased assets is charged as per the normal depreciation policy of the company for similar assets. Initial direct costs incurred specifically in relation to such operating leases is recognized as expense in the period in which they are incurred.

### 2.21 Long Term Deferred expenses:

Long Term deferred expenses record start up expenses. Start up expenses are necessary for rendering the company appropriate and proper to operate on a manufacturing basis. These expenses are expensed in the month when the company begins operation.

5. Mortality rate	LIC (1994-96) Ultimate					

#### Note:

The salary escalation considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

Gratuity is applicable to all permanent and full time employees of the company.

Gratuity payment is based on last basic salary and dearness allowance at the time of termination or retirement. The Scheme takes into account each completed year of service or part thereof in excess of six months. The entire contribution is borne by the

company.

Leave encashment benefits are provided as per the Rules of the Company. The liabilities on account of defined benefit obligations are expected to be contributed within the next financial year.

	CNY	3,28,85,099	4,69,17,688	2,656.61	3,242.86

## Notes forming part of Consolidated Financial Statements

### Note: 25. ADDITIONAL INFORMATION TO THE CONSOLIDATED FINANCIAL STATEMENTS (Contd...)

#### 25.16. (Contd...)

Particulars		Amount in foreign currency		Equivalent (₹ Lakhs)	
		31.03.2012	31.03.2011	31.03.2012	31.03.2011
Sundry Debtors	USD	61,46,111	69,81,375	3,032.09	3,146.32
	EUR	7,62,942	3,83,778	505.23	232.50
	CNY	1,381	1,452	0.11	0.10
Bank Balances	THB	1,74,114	84,798	2.92	1.27
	KES	1,00,478	81,485	0.62	0.45
	BDT	90	17,21,129	0.01	1.10
	IDR	24,116	10,74,096	0.01	0.06
	USD	304	538	0.16	0.24
	CNY	1,76,78,743	3,92,23,342	1,428.16	2,711.04

25.17. The Exchange rate adopted for conversion of subsidiary accounts is as follows :

The Exchange Rate as at 31st March 2012 : 1 CNY = ₹8.0784 (Previous year ₹6.912)

Average exchange rate : 2011-12 : 1 CNY = ₹7.5209, 2010-11: 1 CNY = ₹6.834

25.18. The fixed assets of the Subsidiary Companies are depreciated on SLM Basis over their useful lives as against WDV Basis adopted by the Parent Company. Had that depreciation been provided on WDV basis, the depreciation would have been lower by ₹62.14 Lakhs (Previous year ₹14.30 Lakhs) and the consolidated profit before tax would have been higher to that extent.

25.19. The revised Schedule VI has become effective from 1st April 2011 for the preparation of financial statements.

This has significantly impacted the disclosure and presentation made in the financial statements. Previous year's figures have been regrouped/ reclassified wherever necessary to correspond with the current year's classification / disclosure. The figures for the year ended 31st March 2012 include the figures relating to wholly owned subsidiary M/s. LMW Machinery Limited acquired during the year and consequently the figures for the year ended 31st March 2012 are not comparable with the figures for the year ended 31st March 2011.

25.20. The Ministry of Corporate Affairs, Government of India, vide General Circular No. 2 and 3 dated 8th February 2011 and 21st February 2011 respectively has granted a general exemption from compliance with section 212 of the Companies Act, 1956, subject to fulfillment of conditions stipulated in the circular. The company has satisfied the conditions specified in the Circulars and hence is entitled to the exemption. Necessary information relating to the subsidiaries has been included in the Consolidated Financial Statements.
