

Vigilance Awareness Week 2025

In line with the communication received from BSE Limited (BSE) concerning the observance of **Vigilance Awareness Week 2025**, we earnestly urge all stakeholders to participate actively and wholeheartedly support the spirit of integrity and ethical governance.

The theme for this year is "**Vigilance: Our Shared Responsibility**".

Commitment to Integrity and Ethics

Our organisation remains steadfast in its commitment to fostering a fair and ethical work environment for all its stakeholders. In line with this commitment, we have already adopted and implemented robust internal policies, namely the **Whistleblower Policy** and the **Business Ethics Policy**.

Considering the significance of Vigilance Awareness Week 2025, we strongly encourage every stakeholder to take the **e-Pledge** as formulated by the Central Vigilance Commission (CVC). This is an opportunity to publicly reaffirm your individual commitment to upholding the highest standards of honesty, integrity, and ethical conduct.

We request you to take the e-Pledge through the link provided below:

[**Take the e-Pledge here**](#)

Your proactive participation is integral to strengthening the culture of vigilance within our organisation and the nation.
